1. The DD/I has been asked to select alternates to his appointments to the Professional Selection Panel. After checking with Mr. Amory, it was recommended that [redacted] be appointed as alternate to [redacted] as my alternate. 25X1A9a

2. Sometime ago [redacted] asked DD/I for any "think pieces" that exist on Sino Soviet relations and I found a number of these for him. Today [redacted] O/NE, called to say that another piece is in preparation, a copy of which will be sent to us for [redacted] 25X1A9a

3. Recently, [redacted] informed Mr. Dulles that a Russian propaganda film on bacteriological warfare contains scenes of American PWs who, in the picture, are talking the Communist line. Mr. Dulles has requested a showing, in Administration Building, of this film. I have requested Dr. Andrews to obtain a print and inform us so that the showing may be set up at Mr. Dulles' convenience. 25X1A9a

4. [redacted] OTR, is requesting the DD/I nominees for the State-CIA overseas training program. He told me that he is particularly anxious to receive all Office nominees submitted to the DD/I. However, I explained to him that I thought, in this instance, DD/I would select, the three best-suited candidates and pass only those to the OTR. 25X1A9a
